

Mrs. Margaret Strickland' Prophecy – January 2, 2011

Hallelujah, thank you Lord Jesus, I believe the spirit of the Lord is saying to us today, that if you will not forsake me, if you will not take lightly my word, if you choose to not back away, but if you chose to press forward, if you choose to step IN, if you choose to ABIDE and WALK with me and set your face toward the future. . . I will, I will, I will complete your destiny. I will cause you, I will, I will, I will fulfill my call that's within your heart and within your life. I will be faithful unto you, I will cause you to arise, I will meet your need, I will take care of you, I will lead you, I will guide you, I will be your God. I AM all the things that you hope for me to be, I AM all the things that you desire for Me to be, I AM all the things that you need for ME to be, I AM, I tell you I AM, I AM, I AM, I AM. So when you, if you, take a step back, if you basically sit down you're saying I'm not and you're saying you're not and you're saying I won't and you're saying that you can't but I'm telling you today that I AM and that I WILL and you're going to be all right.
